

# Your Personal Invitation to our Summer Programme of Business Network Events

Our summer programme of networking events are all completely free of charge and we would be delighted to see you at these events

## Your Invite

You are personally invited to attend either one or up to all five of the events in our summer networking programme. It will not cost you a penny to come along to any of these networking events. They provide you with a fantastic opportunity to meet new clients, make new contacts and win new business.
